Subject: Ground Breaking

Dear Sir or Madam,

Please join Coatesville Veterans Affairs Medical Center (CVAMC) as we break ground on the new Hospice unit. We are excited to begin construction on a new, world class, eight-bed, 8,000 square foot unit. When complete, it will further enable us to provide comfort to our Veterans during their last days.

Please call Kate Nash at 610-380-4348 to RSVP.
