As MOPH continues its logistical preparations for the March on the Hill 2011 packets to be delivered to you; Regions, Departments and Chapters need submit potential LEGISLATIVE TOPICS to Hershel Gober, MOPH National Legislative Director.

Your topics need reflect SOME BASIC rational and development such that a coherent "TALKING POINTS" can be fleshed out for production and future distribution. Our ISSUES need be boiled down to facts and figures as your TOPIC submission must have application to, as well impact on, our Members and the Veterans Community at large.

The previously planned March on the Hill 2011 is CANCELLED >> It is the intent of MOPH to provide full and complete INFO Packages and Talking Points with supporting documents on the 4-5 MOST IMPORTANT TOPICS to every DEPARTMENT such that appointments can be made by MOPH Members with their LOCAL Congressional Offices during the week 21-25 MARCH 2011 when Senators and Representatives are scheduled to be in their home Offices.

Chapters need submit TOPICS via their Departments to Region Commanders for consolidation and transmission to Hershel Gober, Info MOPH HQ (National Adjutant Jack Leonard and Executive Assistant Casey Nottage) no later than Friday, 21 JAN 2011.

Yours in Patriotism,

/s/
J. P. Leonard
