Friends,

I went to the Grove today and was touched to see this at Sgt. Dolby's tree. It speaks volumes as to why the community cares about the Medal of Honor Grove and those honored there.

The pre-celebration cleanup is going well and it will look great on the 12th.

I wanted to share this photo with you.

The Friends of the MOH Grove look forward to seeing all of you on Sunday, June 12th at 200p for our celebration.

Have a thankful and thoughtful Memorial Day.
