Department Jr Vice Commanders
Department Historians
Department Chief of Staffs
Chapter Senior Vice Commanders
Chapter Junior Vice Commanders
Chapter Historians

TO ALL PURPLE HEART DEPARTMENTS, CHAPTERS & LAMOPH UNITS

Recent press reports have indicated that the US Postal Service will soon release a number of FOREVER STAMPS, to include, as reported, the Purple Heart Stamp.

To the best of our knowledge, such information appears to be, at best, PRE-MATURE >>> but COULD BE ACCURATE at some point in the very near future.

National Commander Clayton Jones, in the interest of stemming any RUMORS, requests that ALL Members and Ladies refrain from public comment until such time as a formal OFFICAL Announcement might be made by USPS Representatives.

Based on the best information obtained by the National Adjutant, a possible announcement might be forthcoming in mid-January 2011, specifically addressing new USPS "FOREVER STAMP" procedures and future stamp releases to be made by the USPS.

MOPH and its Members will be best served to maintain professional silence in order to stem any rumors prior to any announcements, either in the JANUARY 2011 or in the immediate future.
