As you know, Soldiers & Sailors is gearing up for our Cannon Ball Military Follies Revue, taking place at 3:00p.m. on Sunday, October 16th.

Special acts include Joe Grushecky, Bill Deasy, and members of The Clarks. The CLO will be performing a number from the Broadway hit Hair. Songs from South Pacific will be performed. North Star Kids will also be performing, and the University of Pittsburgh's ROTC will be performing the graduation drill routine from the movie Stripes.

Although the style of the event has been modified, the Military Follies Revue is still our annual fundraiser.

Soldiers& Sailors needs your support, so please consider attending this fundraiser with your loved ones and members of your service organizations. Tickets for the show are \$35. VIP tickets, which include preferred seating for the show and a 1930s nightclub style reception after then event are \$100.

The Soldiers & Sailors Friend and Patriot of the year, Vietnam veteran, Navy SEABEE and Allegheny County Court of Common Pleas Judge, the Honorable Michael E. McCarthy will be presented with his award at the reception following the performance.

I look forward to seeing you there!

Sincerely,

Amber Gehring
