Posted: September 30, 2011

Dear friends and supporters:

Each year, The Pittsburgh Foundation hosts the “Day of Giving” which is an initiative to increase the level of knowledge about nonprofits in our region, leverage or increase individual funding or organizations or an issue in our community, and spotlight the charitable trends in our region. All donor contributions received during the 24-hour giving period will receive an equal pro-rated share of the appropriate match pool.

**Please support Soldiers & Sailors  
on the “Day of Giving” on October 4.**

As a small 501(c) nonprofit, we rely on the support of generous contributors like yourself. To donate, visit the Pittsburgh Gives website on October 4 (<http://pittsburghgives.org/>) and click donate. Select Soldiers & Sailors from the drop down menu, enter your billing information and click submit.

*Don't forget to share your donation with friends and family!*
