On September 20, 2011, the Shasta County, California, Chief Administrative Officer Larry Lees, and Board of Supervisors Chairman Les Baugh were joined by other County officials as they honored all recipients of the Purple Heart Medal as they proclaimed Shasta County as the first Purple Heart County in the nation.

Commander Jim Berg and other members of MOPH Chapter 2001 in Redding, CA were on hand to receive the proclamation, which concurrently designated the cities of Redding, Anderson, and Shasta Lake City as Purple Heart Cities.
