

SAN DIEGO, CALIFORNIA, SUNNY JONES CHAPTER 0049

Update: December 18, 2010

Ladies and Gentlemen,

The chapter has updated its web site to include activities associated with the November 11th Veterans Day Parade and the laying of some 2500+ Christmas wreaths at Fort Rosecrans Cemetery (Point Loma), San Diego, CA. The Fort Rosecrans event took place on December 11, 2010. The event in San Diego, part of the nationwide program Wreaths Across America, was one of more than 500 similar events held on the second Saturday of every December at national cemeteries across the country.

This year, the Sunny Jones Chapter of the MOPH had 15 members participate, including National Senior Vice Commander "Bill" Hutton and California Commander Jon Williams. Next year the Sunny Jones Chapter expects to participate in the ceremony with an increase in members present.

The web master intends to post the **Christmas Luncheon** pictures and other events, within the next 10 days.
