### **Subject: ACTION NEEDED for TO SAVE THE MOH GROVE AT FREEDOMS FOUNDATION**

To our supporters,

Thank you for spreading the word to your contacts about the letter writing campaign we held in March. [www.savethemohgrove.com](http://www.savethemohgrove.com) has been visited over 10,000 times since November 2010. We appreciate all who have visited.

It's April and still there has been no public statement by the Freedoms Foundation about the future of the MOH Grove. There has been nothing new listed on their website except their pop-up asking for donations for the Grove. We have no comment on that - if you've read our site you know our concern with donating.

We are now beginning a new campaign - Call, fax or email the Freedoms Foundation. Letters have been wonderful but now we need to speak one on one with someone at the Foundation and simply ask, “When will the future of the Grove will be made public and once again express our support to keep the Grove as is.” The staff contact information is linked on our website. We need to speak directly to a human being to make the biggest impact.

The strategic plan was due out in the winter of 2011 and we haven't heard a word. This could be our last opportunity to make our feelings known *BEFORE* the strategic plan is announced.

So please forward our website to your family and friends [www.savethemohgrove.com](http://www.savethemohgrove.com) and encourage them to reach out one more time to the Freedoms Foundation.

Thank you for your support for this beautiful memorial for our heroes.

God Bless all who have and continue to serve our great nation. We thank them all.

Please feel free to publish this on any website.

With Gratitude,

The Committee to Save The MOH Grove Website
