We are asking the public join us in a letter writing campaign to the Freedoms Foundation at Valley Forge regarding the Medal of Honor Grove. We ask letters be sent during the month of March.

The foundation is still working on their strategic plan which will decide the fate of the MOH Grove.

It is our hope that in the next few weeks a large number of letters and emails will be sent supporting keeping the MOH Grove in its present location for perpetuity. The Foundation has floated the idea of downsizing the Grove – which would then allow them to sell the rest of it.

For addresses and more information please go to www.savethemohgrove.com

We hope you will forward this on to as many like minded Americans as possible throughout this nation.

Those whose names are on the obelisks spilled their blood and most lost their lives so that we can enjoy the freedoms we do today. Don't you agree the least we can do is take 20 minutes out of our lives to show our gratitude for their sacrifice and write letters to show the Freedoms Foundation how important it is to keep the oldest Medal of Honor Memorial as it presently stands?

We thank you in advance for helping to Save The Grove.

Please feel free to let us know how many letters you know have been sent out.

Respectfully,

The Committee to Save The MOH Grove Website
