

Soldiers & Sailors Memorial Museum and Hall Update

9-11 Anniversary and Cannon Ball Follies Revue October 16TH at 3 P.M.

Received: September 3, 2011

Type: Email

From: Casey Patterson, Senior Staff Assistant

Subject: Soldiers & Sailors Update

Soldiers & Sailors needs your support and attendance. Our staff is working hard on two major events. Both events are open to the public. For more information please click the links below. Also, remember to follow us on [facebook](#) and [twitter](#) for museum updates.

Sunday September 11 at 11:00 a.m. – *10th Anniversary memorial service for victims of the 9/11 terrorist attacks and a special tribute to Pennsylvanians who have lost their lives fighting in the War on Terrorism.*

The event will begin at 11:00 a.m. on Sunday, September 11, with a prayer service conducted by Reverend Michael Wurschmidt of Shepherd's Heart Fellowship followed by remarks from President John F. McCabe. A combined color guard from local university Reserve Officers' Training Corps (ROTC) will present the colors while the national anthem is sung. Patriotic songs and hymns will play while photographs of fallen soldiers play on a projector screen. University of Pittsburgh students will carry American flags for each fallen soldier from the auditorium to the front lawn. The students will then place the flags in rows creating a memorial tribute that will remain on the lawn for the upcoming week. Soldiers & Sailors United States Colored Troops Youth Re-enactment Drum Corps will play military drum beats throughout the event. The ceremony will commence with the playing of "Taps.

Sunday October 16 at 3:00 p.m. – **Cannon Ball Military Follies Revue** - *A stage production featuring patriotic and military scenes and music from stage and screen with performances by Joe Grushecky, Bill Deasy, & band members of The Clarks, along with local performing arts schools and organizations.*

This unique night at the theater is open to the public. Please invite your friends to attend our annual fundraiser and show support for our country's military and veterans while helping Soldiers & Sailors raise key operational funds to keep our building thriving and our mission moving forward into our next 100 years.

Contact me about the sponsorship opportunities that are still available.

Casey Patterson
